

Competition For JRSOs

We need your help!

Every year we send all of our School Crossing Patrols a Christmas card to say thank you for the excellent job they do in making sure that children are safe whilst crossing the roads to and from school each day.

The card that we usually send is a bit boring as it has traffic lights and road signs on it and we would really like to send them a card that would be special to them.

Can you design a Christmas card for our Lollipop people?

Rules:

-Design a Christmas card for our Lollipop people.

When creating the design, remember to keep your message and pictures clear and simple.

You may use any colours you wish and make sure it is no bigger than the box printed on the other side of this paper.

Send your entries in to me by 23rd April. All winners will be notified by 30th April.

Remember:

A great prize of a family ticket to Conkers is available to the best design!
